RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

This reply is made in response to the Notice of Non-Compliant Amendment dated November 8, 2003. This response is due on or before December 8, 2003. The Notice of Non-Compliant Amendment states that applicant's response filed on October 3, 2003 was non-compliant because the listed claims did not include claim 38. This claim was not listed, because there was no claim 38 in the originally filed claims, which were inadvertently misnumbered. Applicants submit the corrected "Amendments to the Claims" section of the Amendment and Response originally submitted on October 3, 2003. This corrected section contains a complete listing of claims, which have been renumbered.

Please replace the "Amendments to the Claims" section of the October 3, 2003 Amendment and Response with the following corrected listing of claims:
